The screenshot shows the DAAD Scholarship Database website. At the top, there is a navigation bar with language options (Deutsch, Українська, English) and a DAAD Homepage button. The main header includes the DAAD Ukraine logo and the text 'Nationale Akademische Kontaktstelle Ukraine / National Academic Contact Point Ukraine'. Below this, there are menu items for 'Accommodation and Residency in Germany', 'Studying in Germany', 'Research and Teaching in Germany', 'Support Offers', and 'About Us'. The main content area is titled 'Scholarship Database' and provides information for long-term stays in Germany. A prominent note for students and researchers from Ukraine states that DAAD scholarships take time and application deadlines are typically between summer and fall. The page displays '103 Scholarship options for your selection' and offers filters to refine the search. The 'Refine your selection' sidebar includes radio buttons for 'I am from the Ukraine' (selected) and 'I am from Germany', a keyword search box, dropdown menus for 'Status' and 'Subject area', and a checkbox for 'DAAD funding programmes only'. A 'Refine your selection' button is located at the bottom of the sidebar. The main content area lists three categories: 'Study Scholarships - Master Studies for All Academic Disciplines', 'Research Grants - Short-Term Grants', and 'Research Grants - One-Year Grants for Doctoral Candidates', each with a brief description and filter options for status and subject area.
