Gender Equality Awards 2025

Equality between women and men is one of the guiding principles of the University of Regensburg. Since 2004, the University of Regensburg has been awarding the Gender Equality Awards to make achievements and progress in research and teaching visible in connection with the goal of actually implementing equal opportunities for women and men.

In 2025, awards will be given in two categories:

1. Outstanding projects in research, academic teaching, knowledge transfer or student initiatives with a focus on gender equality and with the aim of achieving equal opportunities. Group and collaborative projects are particularly encouraged as well as intersectional perspectives and inter-/transdisciplinary approaches. The prize money in category 1 is € 4.000,00.
2. Outstanding dissertations or habilitations conducted at the UR with a thematic and titular focus on Gender Studies and/or Women's Studies, and completed between 1 October 2023 and 30 September 2024. The prize money in category 2 is € 1.000,00.

Depending on the application situation, the award committee may decide to grant only one award of € 5,000.00.

Applications may be submitted by any member of the University of Regensburg. We encourage self-nominations. The deadline for applications is 1 July 2025. Contact: Anna Theresa Wolferstetter, Equal Opportunities Coordination Office.

Applications should be addressed to the University Representative for the Equality of Women in Academia and the Arts.
