6. Overall impression

^{6.1)} What do you like best about this course or what do you dislike the most?

High can the lecture is very I'm very impressed by the speed of the lecturer. Clear structure & inkesting topics. A screencest would be perfect to repeat the lecture on is speed.

I like the choice of using assignments as a mean of testing and that the The examples of real world data shows how the course and it's materials apply in the world world'

Thanks for sharing your notes. Sometimes it was a bit fort.

^{6.2)} Comments about and suggestions for the accompanying practical course:

Excellent structured practical course. Anomi Lecturer is available all the time. The time & effort she puts i's the practical course is very much noticable. There is no way I can think of any Paparo Suggestions as the course is already perfect.

Dice, friendly and highly motivated takor. Das interested in the learning progress (over divercige)

The practicel course is very good. Fly You an always ask and write e-mails. Everything is explained very well.
