

GUEST LECTURE BY JOHN C. SWANSON
(University of Tennessee at Chattanooga)

Lili's World: Lili Jacob, Bilky, and the Auschwitz Album

Photo credits: Dóra Ivett Varga.

The aim of this project is to write a triple biography of Lili Jacob (the woman who found the Auschwitz Album in 1945), her home village of Bilky (formerly in Hungary, now part of modern-day Ukraine), and the album itself (which contains the only photographs of Jews arriving at Auschwitz-Birkenau).
